DESIGN SPECIALTIES

Making your fireplace the focal point.

Old world legacy, new world look.

Forge Craft doors are the ultimate expression of style, for the most discriminating tastes. Old world traditions combine with new world technologies to produce finishes of exceptional richness and authenticity. Custom laser-cutting means that nearly any design is possible – you're limited only by your imagination.

And standard styles are anything but.

Choose Forge Craft doors and strike a blow for genuine originality.

Why glass fireplace doors?

Glass fireplace doors from Design Specialties are a beautiful, practical alternative to free-standing screens. Choose them for all the right reasons:

- Safety – protect children and pets from unstable screens, sparks and flames.
- Energy – keep warm air inside your home, minimize the intrusion of cold drafts.
- Beauty – a Design Specialties door is 90% art, 10% function, 100% delight!

*Bronze Patina, Forged Iron and Rustic Copper are hand-applied finishes and will have some variations; powder coated finishes can vary from samples.
